Takahashi really loves his much older brother, Minerva.

However, Minerva left home after graduating from high school. Since then, the two brothers have fruitfully exchanged letters.

One day, in that letter that arrives, a photo of Minerva is enclosed. Then, that same night, Minerva returns home. It's been a long time since the two brothers spent a summer together. Finally, Takahashi begins to realize that his feelings for Minerva go beyond brotherhood...

Mr. and Mrs. George
and Mrs. George
George, George
George, George

It's been
about eight
years since
he left home
the last time
over ten

A letter
from my
brother
-1998

These letters
are the only
things that
are connecting
us brothers
together

I remember
of those
the first
years

of the
ecologic my-
brother will
returning at
the time

100

It's become
a habit for
me to wait
until my dear
brother is able to
sit down and
before I read
his letter

This is one
of the things
that I don't ask
about, because
I look forward
to asking him
when we are
each other
again

I have really
not been
writing as much
away all
pieces of
my brother's
dearly and
sincerely writing

The way he
writes, like in
his responses
is almost like
it's from
a priest or
something

To my dear and
bravely brother

It always
gets the
letters in a
contradictory
way

How are you doing in this hot weather?

I wonder if this letter will reach you safely. I'm not
as happy to think that the cute little brother I raised
is waiting anxiously in front of the mailbox for the letter
if not, there'd be no joy in making sure you get the letter
every year on this day

Here I wonder what
I should write about?
My mind's drawing a
complete blank. Right
now I'm boredly nibbling
on some saumoid while
writing this Oops, I just
spilled some sauce
sorry

that reminds me, is the saumoid served
at home still the same as it's always been?

The magic leaves from our own garden

And some are still fresh from the garden

and garnish with a few slices of fresh tomatoes from Yachiko's

Let's go find some more leaves.

Yeah!

Let's don't put in any more with bugs on them! Jeez.

Well, that's over.

Thank you.

Thank you.

I really loved my brother.

My
brother

dropped
my head
and weated
sweat
until I could
say "okay"

RYUKI

Pa!

RYUKI

LOTS AND
LOTS OF
LETTERS,
SO...

It's been exactly eight years today since he's left home

It was only recently
that I realized how
late I actually under-
stood those things
back then

Whether it was my
brother leaving home
to work night after he
graduated high school
or his plan to earn his
college degree while
working full time...

IF IF
WERE NOW,
I WOULD
IF I'D ONLY
UNDERSTOOD
I DID
FATHER...

well, neither of us really cares about
saison, do we? That's how free I am.

I've finally got a break from work after such a
long time. The awesomely cool me, whom everybody
watts, is getting assigned to a new location. It's an
assignment I'd been wishing for since ages ago.

Thinking that I'll be working
with an old teacher of mine gets
me all teary-eyed even now.

THERE AREN'T
ANY TEAR
STAINS
ON FACE,
PRO-
FESSOR.

Yutaka

My dream
has come true

You should
be happy too

I don't know if your letters will be able
to reach me where I'm going next

That's why you don't need to reply to this one.

I know, I'll let you in on something when this will be the last time.

I loved the carefully written letters that you sent to me.

Yours sincerely

What
is this
supposed
to mean?

Has he
fallen
yet?

Will he
just sit
there?

The
brother's
already
gone...

will
I appear

The last
I have
with my
brother?

"YOU'RE DEAD
BACH. I CRASH"

YOUR
BROTHER
I WON'T
GO!

"YOU TWO SHOULD HAVE TO
FOLLOW ME TO THE END OF THE ROAD"

I'M
ALREADY
STRONG

I HAVE
TO GET IT
OUT... AND
LET MY
BROTHER
GO...

Brother

Brother

YOU TWO SHOULD
FOLLOW ME TO THE END OF THE ROAD"

Images of my brother's face
just flooded my mind.

001_0080

For
the first
time

The letter
had a third
page

I tensely
reached
for it and
turned
it over

001_0081

Attached
to that page
was a single
photo

This is the
first time
I've seen him
since he left.

He's never
once sent
a picture

NO ONE
PERSON
OF MY
BROTHER
ABOUT
ANY

I may have
made up my
own sense of
what my brother
was like from
the letters

but this
person is a
bit different
from the
eighteen-year-
old brother
I knew in my
memories

This
is a
proper
adult

DON'T
WRITE
THAT IN
BASIC
AGAIN

I
KNOW
IT'S
BASIC

This friendly
smile that
isn't childish
at all

It's so
familiarly
nostalgic

THIS IS THE ONLY
THING I HAVE

I really did
love my
brother
very much.

OH NO,
THE
LETTER

OH NO

I wonder
if this

is his way
of teasing me

Better

I probably
wouldn't rather
found those
words.

And so...

I'm home

And
so...

He'll be
contributing
to his new
workplace
from here
from now on.

I was the only
one who wasn't
surprised by my
brother's sudden
downfalling.

My brother
started to have
trouble in contact
with our parents
for a long
time now.

But took
care of the
spatial
disparities
with
his own
savings.

Dinner was
a bit more
extravagant
than usual.

HAPPY
BIRTHDAY

He did a wonderful
job of tricking me.

We used
to do this
often in the
summer.

MAN, TOO
REALLY
BROODS
BROOD
BROOD-
BROOD!

We'll be
sleeping in
the living
room today
with our
favors, but
we need to
talk about

finally

This will be the last letter
